## Operation Christmas Child

Our school is doing a new service project called Operation Christmas Child. What we will do is fill a shoebox with items and send them to different countries in need. We pack them on November 11<sup>th</sup>. Some stuff we send will include pencils, pencil sharpener, pens, bibles, bracelets, screws, nails, hammers, nuts and bolts ect. The children we send this to have nothing so anything would be greatly appreciated. This is a great way to spread God's word. If anyone wants to donate items to help fill our shoe boxes please call (785) 562-3181.

## KIDS WHO ARE MAKING A DIFFERENCE

McClain Hermes is a thirteen-year-old girl from Georgia. She is legally blind, but she does not let that stop her from helping others. She collects shoes for the homeless and donates them to Atlanta Mission. McClain started in third grade. She uses her fame from competitive swimming to collect shoes. McClain calls her operation Shoes for the Souls. In her first year, she collected 360 pairs of shoes. The second year, her dad told her that he would let her shave his head if she collected 1,000 pairs of shoes that year. She collected 1,598 pairs and her dad's head is now bald. 😊 McClain also says that she wants to start collecting toothbrushes and toothpaste. She says, "If you have a dream and you think it's unrealistic, just keep on doing it because you'll get there."

**This is how McClain Hermes made a difference. How will you?**

## Teacher's Corner

Mr. Macy won an award at the latest teachers' conference for teaching for 45 years. Congratulations Mr. Macy for winning the award. We are lucky to have you as a teacher.

## D.A.R.E. Box Challenge

The 5<sup>th</sup> and 6<sup>th</sup> grade created an awesome police car box to win the box challenge! For D.A.R.E., the students had to create a box in which questions would be dropped into for their D.A.R.E. teacher, Officer Ohlde, to answer each week. There was a contest among the 4 participating schools for the best box and our school won! Jacob Klipp said that the reason that the box won was because it could move! Laney liked that the winner got a pizza party!!! YUMMY!

The students sang at the nursing homes on the 24<sup>th</sup> of October. They sang a lot of great religious songs that the residents enjoyed. Mrs. Kruse, our music instructor, said that the kids did a great job and she hopes to be able to do it again soon!

## It's a Minion and a Jolly Roger!

**The 5<sup>th</sup> and 6<sup>th</sup> grade decorated pumpkins the Friday before Halloween. The 5<sup>th</sup> grade girls chose to do a Minion from Despicable Me and the 6<sup>th</sup> grade boys chose to do a Jolly Roger flag from the Peter Pan novel we are currently reading. Both groups did an excellent job and enjoyed the activity. Grant Holle liked that they were able to paint and design them on their own. Mackenzie Schotte liked that they are able to do creative things like this in the classroom.**

## What is every“BODY” doing in 1<sup>st</sup> and 2<sup>nd</sup> Grade?

The 1<sup>st</sup> and 2<sup>nd</sup> graders are learning about their body in science. They are learning about all their different systems and bones. Jacob Meyer said his favorite part about the science was the tracing of their bodies while Ashton Schaefer said his favorite part was learning about their bodies’ organs. Afton Harries’s favorite part was learning about heads.

In October they went to the library for a tour.

Emma Behrens said her favorite part was checking out the books. Carly Bohlken said we looked at books and had fun at the library, while other kids enjoyed picking out books and movies. Alex Scheele said his favorite thing at the library was the spaces to do homework.

## What's Happening in Preschool?

In September, the kids studied apples. They had a taste test using yellow, green, and red apples. They found out that more students like the red apples. To finish their apple unit they made an apple pie for snack time!

During the month of October they have learned about fire safety, pumpkins, and the changes that occur in fall. They made pumpkin bread for snack one day this month.

In November they are going to learn about fall and talk about families. They will focus on counting, recognizing numbers, and writing their names! The photos are pictures of the A.M. morning class: Harley Frerking, Noah Polson, Landon Pralle, Grant Bruna, and Emma Bowen.

# Pumpkins and Gourds and Corn Mazes...Oh My!!!!

## Harvest Hills Pumpkin Patch

The preschool went to Harvest Hills on October 21<sup>st</sup>. They enjoyed the great weather and had a great time playing at all the different stations the patch has. They have a corn station, a moon sand station, a corn maze and a big slippery slide the kids can play on. These are just a few fun activities for the kids, they have many more! Needless to say the kids had a great time!

## Renyer's Pumpkin Patch

The kindergarteners and the 1<sup>st</sup> and 2<sup>nd</sup> graders went to Renyer's Pumpkin Patch on October 16<sup>th</sup>. The kindergarteners said that they liked the hayrack ride. Sam said that there were spooky things along the way, and Afton said that there was a BIG spider. Joe liked the jumpy pillows, and Alex liked the hay maze because it was aMAZing! They also said that they got lost in the corn maze! Everyone picked out a pumpkin. Whichever pumpkin they picked up, they kept. Mrs. Flores said that everything went well, and that she enjoyed seeing them having fun!

## Movies with Jacob      Dolphin Tale 2

This month I went to see “Dolphin Tale 2”. Some of the stars in the movie are Morgan Freeman and Harry Connick, Jr.

The movie takes place at Clearwater Marine Aquarium in Florida. It is about a dolphin named Winter and a new dolphin named Hope. They have to pair Winter with a female dolphin in 30 days or else Winter would be taken away. They try to pair her with Hope. They turn out to like each other!

It was a good movie. It had some drama in it and some humor. The movie is a family movie. The movie did go pretty slow. I would rate this movie 4 stars.
